COLLEGE OF COMPUTING AND INFORMATICS

TEAM 8 · THE 60-SECOND PITCH

StudyOnTime

Essey Beraki

THE PROBLEM

Course details, assignment instructions, and documents live in separate places. Students search manually to connect the pieces.

TARGET IMPACT

Link an assignment to the selected course sources. Ask a question, get a grounded answer, and follow its citation back to the source page.

CORE TECH STACK

Next.js · TypeScript· Canvas API · Prisma · MySql · Ingest · Private S3-compatible storage Retrieval + OpenAI
